HOUSING

Separate floors in Martin Hall have been set aside for males and females. Students are supervised by DMA staff, males for males and females for females. Dorms do not provide linens. You must bring sheets, blanket, pillow, towels, and an alarm clock. Remember, Drum Majors are never late.

Checkout will be Wednesday, June 17th immediately following the Closing Session. All students must check out and return keys and meal cards as directed. There will be a \$50.00 charge for lost keys and a \$50.00 charge for lost access cards.

ROOMING ASSIGNMENTS

Rooming Assignments will be made in advance. Students will be housed with students from other schools in order to enhance the experience of meeting new friends and working with new people. This is a firm Drum Major Academy policy. HOUSING ASSIGNMENTS WILL NOT BE CHANGED. PLEASE DO NOT ASK.

COMMUTERS

Students who choose the commuter option will be given parking instructions at registration. Commuter students are expected to show up for morning sessions (exact morning class times will be given at the end of the evening session the day before), and remain with the Academy for the remainder of the day. Commuters will have the option of bringing their own lunch and dinner or purchasing meals on a meal to meal basis on campus. Commuter's cars are to remain "off limits" during the day.

MEALS

All meals will be eaten in the university dining hall. The \$420.00 resident fee includes tuition, housing, and meals beginning with Saturday dinner through Wednesday breakfast. Commuters may bring their own meals or purchase a meal card/plan when they arrive at registration. The cost of the meal card/plan is \$50.00 and will provide commuter students both lunch and dinner at the dining hall during the session.

TELEPHONES

The telephone number for Special Programs at Eastern Kentucky University is (859) 622-1444 between the hours of 8:00 a.m. and 4:30 p.m. In the event of an emergency, the number for Public Safety is (859) 622-2821. Each room has a telephone jack for on-campus, local, and 911 calls. You may bring your own phones. Any long distance calls should be made by calling card from a phone in the lobby. Students may bring cell phones; however, they must be turned off during sessions and after lights out. Students are not to use the phones after "lights out."

SCHEDULE

A full day at the Academy begins at approximately 8am and concludes at approximately 10:30pm. Breaks are taken for lunch and dinner. Students will also be given multiple "water" breaks through out each session.

MEDICAL EMERGENCIES

Any medical emergencies that arise will be handled through the emergency room at Pattie A. Clay Hospital in Richmond. The telephone number for the hospital is 859-623-3131. Be sure to bring the medical health form in the event that medical treatment is needed.

PHYSICAL FITNESS

It is strongly recommended that you do your best to "be in shape" when you arrive at the Academy. A daily exercise program consisting of stretching and jogging, etc. might be helpful. Your work at the Academy could become relatively strenuous if you are not physically prepared.

DMA T-SHIRT

Students will also receive a t-shirt, which is included in the tuition cost. This t-shirt is to be worn at the final session on Wednesday, June 17th. In doing this, we hope to create a uniform appearance for the "graduating" class.

CLOSING CEREMONY

We invite your parents to join us for our final session. This session will include your final class lecture, demonstration of the work you have done throughout the week, final competition for the best marching squad, presentation of certificates and the closing ceremony. This session will be held on Wednesday, June 17th at 11:00 a.m. All students must checkout and return keys and meal cards immediately following the closing ceremony. Again, there is a \$50.00 charge for lost keys and a \$50.00 charge for lost access cards.

I am very excited about this year's Academy, and I look forward to meeting you. If you have questions, please call the Drum Major Academy at 866-653-7389.

With pride,

George N. Parks
Drum Major Academy

Rules and Regulations

***As a student who has been selected to be a Drum Major/Student Leader of your high school band, there is no need to stress the importance of good conduct. Drum Major Academy students are expected to uphold the highest standards of behavior and attitude. Failure to comply with any of the following regulations established by the Drum Major/Band Leadership Academy may result in immediate dismissal from the Academy without a refund of fees. Your parents/guardians will be responsible for immediate transportation home.**

Drum majors and ALL band student leaders are never late. Remember the old saying, "To be early is to be on time. To be on time is to be late." Plan on being at least five minutes early to each session. This is a security issue as well as a self-discipline issue.

The Drum Major Academy needs to be accountable for your whereabouts throughout the entire session. If you feel ill at any time, you **must** contact an Academy staff member immediately.

Nametags must be worn at all times.

Visitation by persons who are not enrolled in the Academy is not permitted.

Please keep your room locked at all times. Also, do not leave money or other valuables anywhere on campus. The Drum Major/Band Leadership Academy and the Host College cannot be held responsible for loss of personal property.

Alcohol, tobacco or controlled/illegal substances are prohibited while at the Academy.

Students are not permitted to leave campus at any time. If you drive to campus, your automobile is to be parked, locked and remain off-limits throughout the Academy. Commuter students will not be permitted to leave campus during the day once they have arrived to the morning session. Commuter students will only be permitted to leave campus once all the students are dismissed for the evening.

You may not, under any circumstances, visit the rooms or floors housing members of the opposite sex.

Room checks will be performed each evening. Room check/lights out times will be given at the end of each evening session. At room check, you are expected to be in your assigned room. NO EXCEPTIONS!

Please leave your room in the same condition at the close of the Academy as when you moved in at the beginning of the Academy. You will be held financially responsible for any cleaning or repairs that need to take place in your room as a result of your stay.

Any inappropriate behavior that reflects poorly on yourself, your school, or the Drum Major Academy will not be tolerated.

THINGS TO BRING

MEDICAL FORM and WAIVER AND RELEASE FORM – You and your parents must read, fill out and sign the enclosed Medical Information Form and the Waiver and Release Form. You **WILL NOT** be permitted to attend the Academy unless both forms are signed and turned in at check-in.

If you have a balance due, this must be paid during check-in when you arrive at the Academy. Please note that credit cards **CANNOT** be accepted at check-in. Forms of payment that can be accepted at check-in are cash, check or money order. If you wish to pay your balance by credit card you will need to call the DMA Office prior to the student's arrival.

Comfortable clothes - clothes suitable for marching and working on warm days and cool evenings. Swimsuits are not permitted during class.

Sneakers are required for all sessions. Be sure your sneakers have already been “broken in” BEFORE arriving at the academy. Sandals, flip-flops or clogs are not acceptable.

Sunburn protection - please be prepared to work in the sun. Hats, sun block, sunglasses, and other precautionary items are recommended.

You will need writing implements and a notebook for all sessions. You must also have a three-ring notebook for any handouts. Make sure you bring this letter as the first section in your notebook.

You must provide your own linens which should include sheets (most dormitory beds are extra long twin) or a sleeping bag, a pillow and pillowcase, blanket(s), towels, washcloths and other necessary toiletries. An alarm clock is highly recommended.

Students may wish to bring a portable fan. Although most (NOT ALL) dormitories are air conditioned, we are not in control of the temperature in the dormitories. Dormitory temperatures will vary year to year, location to location.

Although they are not required, we recommend that all Drum Majors bring a whistle, drum major baton/mace, or practice baton/mace. Even though many bands do not use this equipment, after seeing the showmanship potential for this equipment, many students wish they could attend the baton/mace sessions and practice some of the techniques. For many drum majors, this can become the special effect that sets them apart from the competition. Therefore, although it is not required, we highly recommend that students bring a drum major baton/mace. If you do not have access to a drum major baton or mace, a 42" wooden dowel or broomstick handle will suffice. Students who bring a good drum major baton should also have a "practice stick" to use when practicing new, difficult twirling techniques.

Most dorm rooms are not equipped with a refrigerator. Please do not bring anything that requires refrigeration.

Although water breaks are provided though out each session, we always recommend students bring their own water bottles that they can fill up before each session.

The textbook: **The Dynamic Drum Major** will be needed throughout the week for reference and reading assignments. If you pre-ordered a copy of the Dynamic Drum Major on your registration form, it will be available for pick-up at check-in on the first day of the academy. Students who need a copy can purchase it during the session for \$19.95.

Students may bring cell phones; however, they **must be turned off** during sessions and after lights out.

Students can bring money with them to the Academy. We do discourage students bringing excessive amounts of “cash” to the academy. Your tuition covers all your necessities. Occasionally dormitory areas have vending machines and the academy does sell souvenirs. We, the Drum Major Academy, and the Host College, cannot be held responsible for any lost or stolen money.

Please do not bring anything of “value” to the Drum Major Academy. Although we **very rarely** have instances where a student’s “valuable” will get lost or stolen, it does happen. We, the Drum Major Academy, and the Host College, cannot be held responsible for any lost or stolen items.
